A Story that's  
out of this world

THE *ONLY* MATTRESS AND  
PILLOW RECOGNIZED BY  
**NASA** AND CERTIFIED BY  
THE SPACE FOUNDATION ♦

### **Decades of Space Innovation Inside**

TEMPUR® Material was first developed for NASA to cushion astronauts during space flight. We harnessed this ground-breaking technology to create the world's first memory foam mattress and pillow.

We have since spent thirty years perfecting that original invention to give you a quality of sleep like no other.

Our unique heritage inspires us to go beyond what we thought humanly possible. This ensures we continue to strive for constant improvement.

Like NASA, our mission is to create the greatest possible benefit for all. That is why we continue to evolve TEMPUR® Material to help give you the sleep you need every single night.

Adapts and conforms  
to suit you

### Outstanding Sleep Technology

The space tech in our Material is a closely-guarded secret. Only ten people in the world know the formula. TEMPUR® Material has been uniquely optimised for unrivalled durability, as well as enhanced pressure relief and motion absorption to minimise nightly toss and turn.

### Precision Engineered For Perfection

Our scientists have refined the viscoelastic cellular structure of our Material to respond and adapt to your individual body size, shape, weight and temperature for the perfect balance of comfort and support.

# Why TEMPUR®?

## That Personal Touch For Better Sleep

No two people sleep the same way. Whatever your preference, we have a tailored solution to help you find your perfect fit:

Whether you need more comfort or superior support - or both - our unique Material comes in Four distinct feels to suit your needs.

Now it's even easier to keep your mattress clean with our QuickRefresh zip-off cover that's machine washable at 60°C.

Sleep hot? No problem. Our innovative CoolTouch™ cover Technology is the perfect solution to instantly help regulate your body temperature at night.

Whether you need extra neck support or a more luxurious feel, we've got that covered too. Our range of pillows comes as classic or ergonomically designed for enhanced neck and head support.

# Four steps for better sleep
